

2013 International Events & Conferences

ACECC 24th Executive Committee Meeting (ECM)

The ACECC (Asian Civil Engineering Coordinating Council)'s 24th ECM was held on February 22-23, 2013, at the National Taiwan University of Science & Technology. The meeting was organized by the ACECC and sponsored by the CICHE. The KSCE representatives were *Prof. Jongsung Sim* (KSCE President, Hanyang University), *Mr. Kwang-II Kim* (KSCE Past President), *Prof. Tai Sik Lee* (KSCE Past President, Hanyang University), *Prof. Jae-Woo Park* (KSCE Chair

for International Affairs Committee, Hanyang University), *Dr. Nahm-Chung Jung* (Vice President, Technology Division, K-water), and *Ms. Hyunsun Song* (KSCE International Correspondent). At the meeting, proposals for new TCs on Asian Concrete Model Code, and on Renewable Energy, were made by the KSCE, and the written proposals for each TC will be submitted at the next ECM. The final results of the ACECC Award, which will be awarded at the CECAR6, has been announced. The Four Major Rivers Restoration Project of the KSCE has received the Outstanding Civil Engineering Project

Award, and *Dr. Chun-Su Chon* of KSCE, has received the ACECC Achievement Award. The 25th ECM will be held just before the CECAR6 on August 18-19, 2013, at Hotel Borbudur, Jakarta, Indonesia.
