

International Roundtable Session at the 2010 MACE Annual Meeting

## The 65<sup>th</sup> JSCE 2010 Annual Meeting

The 65<sup>th</sup> JSCE 2010 Annual Meeting was held during September 1-3, 2010, at Hokkaido University, Hokkaido, Japan. As KSCE has signed the Agreement of Cooperation with JSCE, KSCE President, Kyung Soo Chon, Vice President, Jong Seh Lee (Hanyang University), International Affairs Committee Chair, Soobong Shin (Inha University), Executive Director, Choong-Soo Lim, and International Affairs Secretary Hyunsun Song attended the meeting. About 25,000 participants joined with more than 2,000 individual registrations and 3,644 research papers were presented. Including delegates from Korea, 26 international delegates attended the meeting. The meeting venue, Hokkaido University is a well-recognized major university in Japan and the first President, Prof. Clark has also been famous for the expression, "Boys be Ambitious."

The international roundtable meeting was held under the theme, "Compliance-oriented infrastructure development." This theme was about how to overcome the current crisis in the construction field of Japan. Participating countries were Nepal, Bangladesh, Mongolia, Philippines, USA and Korea. Prof. Soobong Shin, KSCE International Affairs Committee Chair, drew attention by giving a presentation on "Value Creator-10 Projects on Construction & Transportation Technology in Korea". At the welcome reception, KSCE President Chon gave a congratulatory speech for a great success of the JSCE Annual Meeting.
